is an active member of the Association Kangourou Sans Frontières.  
It is in charge of organising the Kangaroo game contest and freely manages  
its organisation in the **United Arab Emirates**.

The Association Kangourou Sans Frontières aims at spreading basic mathematical culture  
by every possible means and, in particular, by organising the annual Kangaroo game contest  
in all participating countries based on the official sets of problems.

The Kangaroo game contest is one of the largest mathematics competitions in the world,  
attracting more than 6 million participants in more than 100 countries each year.
